

Report on Webinar conducted on 29-06-2020

Research and Development section in association with International Affairs Cell of JC Bose University of Science and Technology, YMCA, Faridabad organised a webinar on 29th June, 2020 on “Developing as a Doctoral Student or Post Doc by Seeking Mentorship in Our Changing Educational Landscape”.

Prof. Rajesh Kr. Ahuja, Dean (R&D) gave opening remarks and welcomed Prof. Dinesh Kumar, VC; speaker Dr. Victor R. Prybutok and participants.

Prof. Dinesh Kumar, VC, J.C. Bose UST welcomed Dr. Victor R. Prybutok and participants and highlighted the importance of research in the life of researchers.

The eminent speaker, Dr. Victor R. Prybutok, Regents Professor of Decision Sciences in the Information Technology and Decision Sciences Department, Vice Provost for Graduate Education, and Dean of the Toulouse Graduate School at the University of North Texas, provided valuable tips to the participants on the importance of mentor in a researcher's life. A good mentor helps with grants, publications and in gaining a tenure track or industry position. It allows the person to develop professionally by focussing more on research related activities either as a faculty or a research scientist.

Research team is must for major accomplishments in research and publication.

He discussed on evolution of research projects as mathematical modelling, simulation and survey based research.

87 participants attended the webinar.

Dr. Rajeev Saha, Dy. Dean (R&D) coordinated the activity.

Dr. S.K. Garg, Registrar presented vote of thanks and closing remarks.
