ACTION TAKEN REPORT OF STUDENT DRIVEN FACULTY FEEDBACK SYSTEM

(JULY, 2021 – JUNE, 2022)

The feedback of all stockholder's (Students, Parent, Peer and Alumni) regarding Curriculum & Infrastructure were gathered for the academic session. Based on the analysis of the feedback received, the following steps have been taken in the department to improve academic standards in the University.

- 1) The issues raised by the different stockholders were shared with the faculty members to take necessary action further.
- 2) Students are provided with opportunity to undergo full semester dissertation/ industrial training for enhanced practical exposure and skill development. Moreover, students are provided an option to choose either research-based dissertation work or industrial exposure in term of industrial training.
- 3) The lab facilities are enriched with the advanced instruments and practical exercises are incorporated in the syllabus to enhance the skill and knowledge of the students.
- 4) The faculty members of the Department have been given responsibilities to explore the needs of industries for environmentalists, visits to the industries and organization of value-added courses to prepare the students to face the challenges after attaining their master degree.
- 5) Requisition of books for purchase of latest books in the library section has been made by the faculty members to provide supporting reading material to the students.
- 6) The concerned branch will be informed to take necessary corrective action regarding improvement of wi-fi facilities, availability of hygienic food in canteen area and safe drinking water for the students.

Action Taken Report of 360 Feedback for the year 2021-22

The 360 feedback was gathered from the students, peers, parents, and alumni during the year 2021-22. To enhance the feedback for the present/coming year, the following may be incorporated:

S. No.	Feedback	Action Taken
1	Awareness regarding NET and Ph. D should be given	Students were provided required guidance during mentor-mentee sessions
2	Need for departmental library	Requisition for books submitted
3	Need for platforms to showcase and enhance co-curricular skills	Students were made aware of various university clubs and the events they organize. Workshops held.
4	Issues regarding classroom infrastructure and canteen facilities	Fabricated classrooms allotted to MA students. Students were encouraged to carry home food and follow better hygiene.
5	Student grievance handling can be improved	Mentors and all faculty members were encouraged to discuss students' problems more openly.

Subject: Observation by different stake holder of JCBUST, YMCA in 360-degree feedback;

Dear Sir,

A 360-degree feedback is conducted every academic year by Mechanical Engineering Department wherein, different questions were asked to different stakeholders of the university about the different facility provided by the university. The purpose of this survey is to do the improvement in existing facilities based upon this survey. The below mentioned are the observations observed by stakeholder about facility provided by your department;

1. About hostel and canteen: The improvement is needed in the hostel and canteen facility of the university. (CHW)
2. Grievance Mechanism: The improvement is needed in the grievance mechanism. (DSW)
3. About Sports: The improvement is needed in the sports ground and sports facilities. (DSW)
4. About computer and Wi-Fi: The improvement is needed in the internet and Wi-Fi facilities to the students. (CSE)

You are requested to look into above observations by different stakeholders in order to improve.

Department of Physics

Dated: 31/8/2022

Action Taken Report of 360 degree feedback received from various stakeholders

1. The department is already making a lot of efforts for the placement of students like constituting departmental placement committee, a committee for the preparation of competitive examinations, and communicating information about various placement drives to the eligible students.
2. New Science block has resolved many infrastructural problems like classrooms, and lab facilities.
3. The Department will communicate canteen related issues to the concerned person.
4. With new library building coming up, library facilities and sitting space will drastically improve. The department also recommends quality journals and books for the enrichment of library catalogue from time to time.
