To whom it may concern

This is certified that, we have conducted Green and Environment audit at JC Bose University of science and technology, YMCA- Faridabad. The report is based on the factual applicable aspects observed during audit study.

All the applicable sustainability and health well being aspects related to optimisation of Energy and Water use and management , Air Quality , Waste management and reduction of waste generation and segregation at source, Noise level, Pollution control, indoor air quality , Occupant comfort and Socio Economic strategies , sustainable procurement practices have been audited during study.

The audit was conducted with cooperation and active participation by concerned stakeholders of university. There were extensive deliberations during audit and the audit study was successfully completed with proactive participation with positive approach of Dr. Renuka Gupta who is spearheading management of environmental concerns with continuous endeavour towards environmental aspects applicable to campus.
