J. C. Bose University of Science and Technology, YMCA, Faridabad has been re-accredited by the National Assessment and Accreditation Council (NAAC) with 'A+' Grade and a CGPA of 3.32 in the Second Cycle of Accreditation. The result of the assessment was declared in the 127th Meeting of the Standing Committee of NAAC held on October 18, 2022, and shall remain valid for the next five years.

National Assessment and Accreditation Council (NAAC) is an autonomous body funded by the University Grants Commission that assesses and accredits Higher Education Institutions in India.

In 2016, the University was awarded an 'A' grade by the NAAC in the First Cycle of Accreditation. The University was assessed and evaluated by the five-member NAAC Peer Team from October 1. The Vice-Chancellor Prof. S.K. Tomar has expressed gratitude towards the Governor - Chancellor Shri Bandaru Dattatraya for his constant mentorship and support to the University due to which it has been able to receive the 'A+' grade. The University is committed to striving best to carry forward the dream of Chief Minister of Haryana Shri Manohar Lal for making the State of Haryana a global leader in Education, he added. Principal Secretary to Government of Haryana, Technical Education Department, Shri Vijayendra Kumar, and Director, Technical Education, Haryana, Shri Rajiv Rattan have congratulated the Vice-Chancellor Prof. Tomar on receiving 'A+' Grade by NAAC. Prof. Tomar extended gratitude towards both officers to extend their support to the University to achieve excellence.

Dr. Sunil Kumar Garg appointed as Registrar for another term

Haryana Governor and Chancellor of J.C. Bose University of Science and Technology, Faridabad, Sh. Bandaru Dattatraya has appointed Dr. Sunil Kumar Garg as Registrar of the University for another term. The notification to this effect has also been issued by the Haryana Rajbhavan.

As per communication received from Haryana Raj Bhawan, the appointment of Dr. Garg for another term has been made on the recommendation of the State Government. .

Expert Lecture on Emerging Trends in Advertising

The Department of Communication and Media Technology of J.C. Bose University of Science and Technology, YMCA, Faridabad, Haryana, conducted an Expert Lecture on "Emerging Trends in Advertising".

The Lecture was conducted at the Preview Cum Conference room for UG and PG students of the department. The resource person for the lecture was Ms. Alka Rawat, Assistant Professor, National Institute of Fashion Technology (NIFT) Kangra, Himachal Pradesh. The lecture commenced with the welcome address by Dr. Pawan Singh, Chairperson (In-charge) of the department.

Ms. Alka Rawat elucidated to the students that Advertising is one of the most important of the four pillars of marketing (along with product, place, and price); promotion covers the variety of techniques that an advertiser uses to communicate with the current and potential customer. During the session, she focused on the job area for the Advertising and Public relations industry.

She also discussed five general categories of promotion, i.e., Advertising, Personal selling, Sales promotion, Public relations and publicity, and Direct selling. Students got extensive practical and industrial exposure about the advertising industry. The Lecture was conducted under Prof. Atul Mishra, Dean, FLAMS, and Dr. Pawan Singh, Chairperson (In-charge) of the department. The chairperson congratulated and appreciated the effort done by the faculty member.

University organises Lecture on 'National Education Policy, 2020

J. C. Bose University of Science and Technology, YMCA, Faridabad, in collaboration with All India Association of Vice Chancellors and Academicians, New Delhi, organized an Extension Lecture on 'Gauravshaali Bhartiya Shiksha Niti 2020'.

The Lecture Session was conducted by the Institution's Innovation Cell (IIC) of the University. The Vice-Chairperson of Haryana State Higher Education Council, Prof. K. C. Sharma was the keynote speaker of the session while Pro Vice-Chancellor Prof. Sushma Yadav was present as chief guest. The session was presided over by the former Vice Chancellor of Jai Narain Vyas University, Jodhpur, Prof. Lokesh Shekhawat. The General Secretary of AIAVCA, Dr. Randeep Singh, Former Principal Bhagwati Rajput, and Principal of DAV College Dr. Savita Bhagat were also present on this occasion. The session began with lighting the lamp, followed by the prayer of goddess Saraswati and University Kulgeet.

Vice-Chancellor Prof. Sushil Kumar Tomar, who is also the Vice-President of AIAVCA, welcomed the guests and participants. He gave information about the seminar. Speaking on the occasion, Prof. Tomar said that the National Education Policy, 2020 is a sincere step towards the Indianisation of the entire education system of the country, and the University is making all efforts to implement the NEP-2020 effectively.

'Work-life Balance and Work Ethics'

In order to bring efficiency to the administrative system, J.C. Bose University of Science and Technology, YMCA, Faridabad organized a training program for its non-teaching employees on 'Work-life Balance and Work Ethics'. The Program was conducted by the Department of Management Studies of the University.

Dean (Institution) Prof. Sandeep Grover was the chief guest in the inaugural session. The session was also addressed by the Registrar of the University Dr. S.K. Garg and the Registrar of Gurugram University Dr. Rajiv Kumar Singh. Earlier, the Dean of Management Studies Prof. Ashutosh Nigam, and Chairperson of Management Studies Dr. Rachna Agarwal welcomed the guest speakers. The program was coordinated by Dr. Neha Goyal, Dr. Jyotsana Chawla, and Dr. Arti Gupta. The objective of the program was to develop a basic understanding of work-life balance among the employees so as to enable them to tackle work-life balance-related issues.

Addressing the program, Prof. Grover highlighted the importance of work-life balance in professional life. He discussed the famous Herzberg's two-factor management theory on hygiene and motivation. He also presented his views on the role of motivational factors in the workplace.

workshop on "Discrimination against Women"

The Internal Complaints Committee of Women Cell of J. C. Bose University of Science and Technology, YMCA, Faridabad organized a workshop on "Discrimination against Women".

Prof. Renu Chugh from the Department of Mathematics of Maharishi Dayanand University, Rohtak was the invited guest speaker in the workshop. The session was presided over by Registrar Dr. S.K. Garg. The workshop was coordinated by Prof. Neetu Gupta, Chairperson of the Women Cell, and Dr. Anuradha Sharma, member of the Cell.

The objective of the workshop was to discuss and address the critical issues related to discrimination against women and how to generate a Gender-Neutral Environment and it helped the participants to become aware of and sensitive to gender in their lives or workplaces.

The workshop started with a welcome address by Prof. Neetu Gupta followed by a presidential address by Registrar Dr. S.K. Garg who shared his opinion on the discrimination against women. Referring to the rich Indian culture, he said that women have been worshiped as Goddesses in Indian society. The status of women used to be supreme but in between due to some reasons it deteriorated and then all these issues happened. He stressed the need to understand gender-specific sensitivities as it helps us to examine our personal attitudes and beliefs.

Workshop on Radio Commentary

The Department of Communication and Media Technology of J. C. Bose University of Science and Technology, YMCA, Faridabad, organized a one-day workshop on Radio Commentary on 11/07/2022. The workshop was conducted by Sh. Sampooran Singh Bagri, Announcer of All India Radio, Rohtak as keynote speaker.

Addressing the workshop, the keynote speaker Sh. Bagri said that the scope of Radio is very wide. It creates a picture in mind through words which is remembered for a long time. That is why, Radio enhances the imagination. The workshop was attended by the students of Journalism and Mass Communication, and Animation and Multimedia. Earlier, the Chairperson of the Department Dr. Pawan Singh Malik welcomed the keynote speaker and said that Radio teaches how to communicate. The most important feature of radio is to connect with the listeners in simple language. He said that only the simplicity of the language can engage the audience. Dean of the department Prof. Atul Mishra also appreciated the program organized by the department. Sh. Bagri explained to the students in detail about the different modes of radio programs and voice modulation. At the end of the workshop, Assistant Professor Dr. Tarun Narula proposed the formal vote of thanks.

University organizes One-day workshop on Vidyarthi Vigyan Manthan

J.C. Bose university of science and Technology, YMCA, Faridabad organised a workshop to spread awareness about Vidyarthi Vigyan Manthan (VVM) Program which is an initiative by Vijnana Bharti (VIBHA) in collaboration with Vigyanprasar and NCERT. Vidyarthi Vigyan Manthan is a national program for popularizing science among school students of standard VI to XI, conceptualised to identify bright minds with a scientific aptitude from the student community.

The event was inaugurated by classical lamp lighting and Saraswati Vandana by the guests; National Coordinators of VVM Dr. Arvind Garg and Dr. Mayuri Dutt, and State Coordinator Dr. Rashmi Pundeer. The event was coordinated by Dr. Sonia Bansal, the convener of the program. A number of school students participated in the program. Expressing pleasure over the organization of the program, Vice Chancellor Prof. S.K Tomar said that such programs help in popularising science among the students. He extended his best wishes to the organisers. The State Coordinator, Dr. Rashmi Pundeer started the workshop and briefed Vijnana Bharati, previously known as Swadeshi Science Movement, which is a non-profit organization in India that works for the popularization of sciences in a nationalist manner. She apprised that the main aim of VIBHA is to renovate the Swadeshi Movement in this age of science and technology for the purpose of national reconstruction.
