

J.C. BOSE UNIVERSITY OF SCIENCE & TECHNOLOGY, YMCA
(NAAC 'A' GRADE accredited State University)
SECTOR-6, MATHURA ROAD, FARIDABAD -121006 (HARYANA)

Use of Bicycles and Battery-Powered Vehicles

No Vehicle Day:

JCBoseUST instituted a No Vehicle Day on last Friday of the month as a sustainable initiative. The students and staff are encouraged to commute on public transport or bicycle on that day rather than own vehicle.

Awareness to use Public Transport and Car Pool:

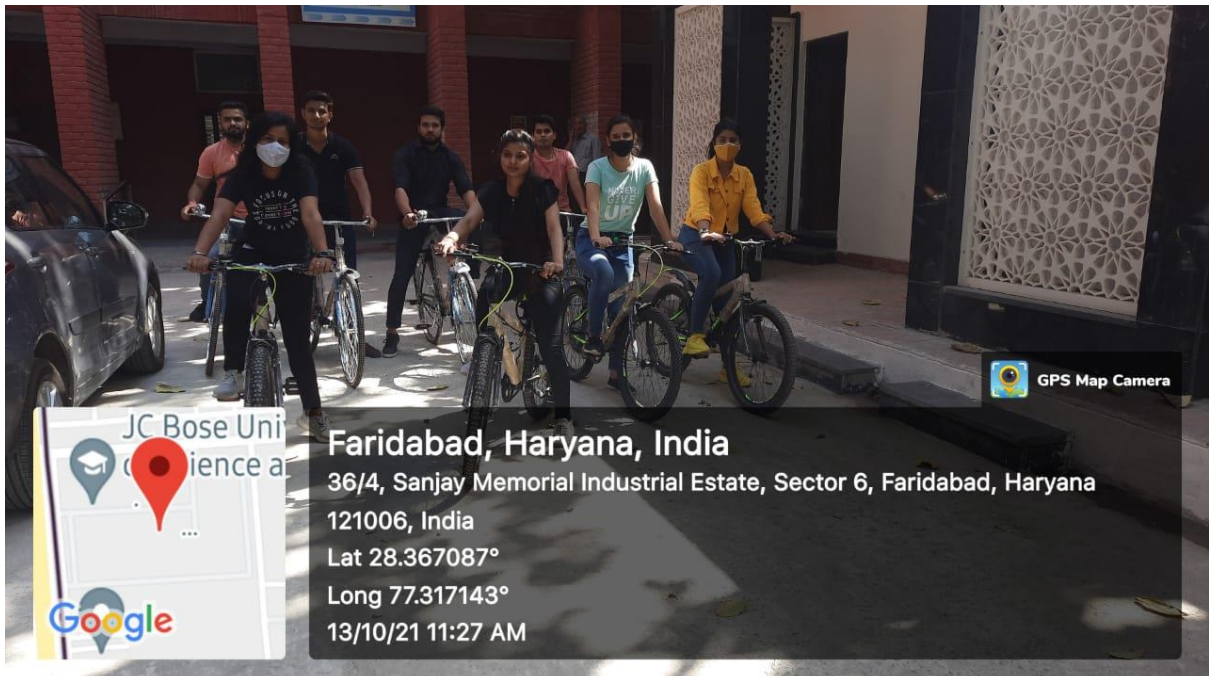

The students and staff are encouraged to use public transport and car pool through various circulars and awareness programs time to time to limit the emissions.

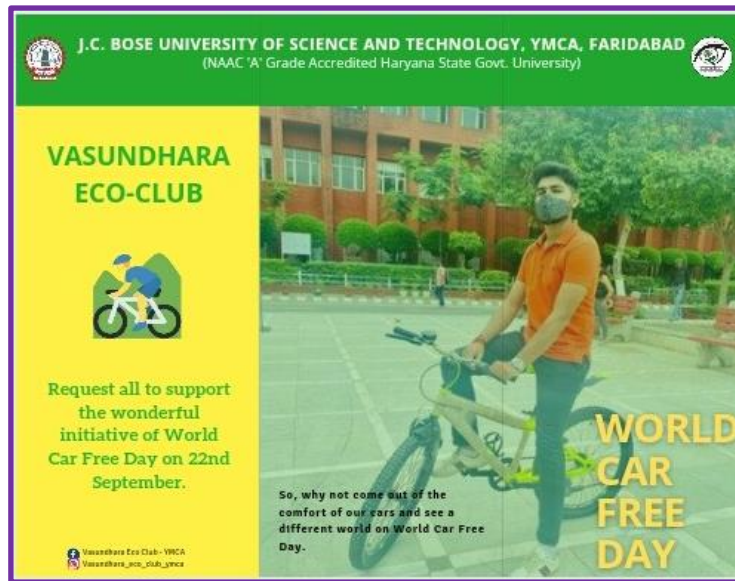

Celebrations of Car Free Day on 22nd September, 2021 to encourage the stakeholders to use public transport and bicycles on the day

Use of Bicycles at the University

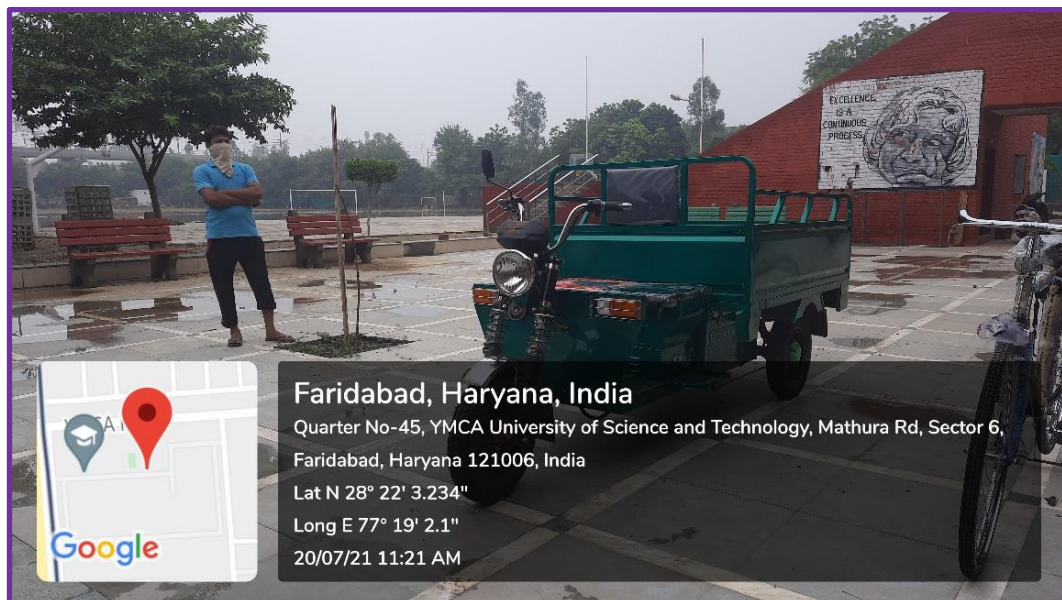

University purchased some bicycles and issue to the students as and when required

Vasundhara ECO-CLUB promoting the use of Bicycle on Car-Free Day

Use of Bicycle and Battery-Operated vehicles:

The University encourages to use battery-powered vehicles to save energy. The University has procured battery operated e-vehicle (e-rickshaw) which is utilized for material transportation within the University campus.

Battery Powered Vehicle

The University has procured e-vehicle from Energy Efficient Services Ltd. Tata Nexon XZ+EV on dry lease for 5 years.
