FACULTY DEVELOPMENT PROGRAMME

Faridabad: The department of electrical engineering of JC Bose University of Science and Technology, YMCA, Faridabad, will conduct a faculty development programme on "digital circuit implementation using Zynq FPGA IC" from September 16 to 20. The programme is being supported by the AICTE Training and Learning (ATAL) Academy. The chairperson of the department of electrical engineering, Dr Poonam Singhal, said during the programme, training on Xilinx Vivado software and hardware would be provided. The FDP will be a combination of presentation, demonstration and hands-on sessions using a virtual platform. Participants from different corners of India and abroad will get the opportunity to interact with experts from the industry and will be able to enhance their knowledge and skills in the respective areas.

YOUTH MOTIVATION DAY AT VARSITY

Faridabad: JC Bose University of Science and Technology, YMCA, Faridabad, will observe September 17 as Youth Motivation Day to mark the 70th birth anniversary of Prime Minister Narendra Modi with a 'pledge' to work for Aatmanirbhar Bharat. Vice-Chancellor Prof Dinesh Kumar said Aatmanirbhar Bharat was the vision of Prime Minister Modi of making India a self-reliant and self-sufficient nation. He is an inspiration for the youth. To support his vision and mission to strengthen the country's economy, the university has taken the initiative to celebrate this day as Youth Motivation Day.
