Faridabad: The JC Bose University of Science and Technology, YMCA, Faridabad, will soon extend its consultancy services to the industry for calibration of electrical instruments. The MoU was signed by chairperson of electrical engineering Poonam Singhal from JC Bose University and managing director of Belz Instruments AK Nehra in the presence of Vice Chancellor Dinesh Kumar. The VC said the tie-up would help the university in its capacity-building process in terms of acquiring skill and calibration training to fetch consultancy projects in the related field.
