## THE TRIBUNE

### 'TRIVENI' PLANTATION ON VARSITY CAMPUS

Faridabad: To promote the benefits of 'triveni' trees, the faculty of JC Bose University of Science and Technology, YMCA, carried out a plantation drive under the 'Hariyali Parv' and planted banyan, neem and peepal trees on the campus. When these three trees are planted together, it is called a 'Triveni'. The plantation drive was organised by the members of the University Staff Club and women's club of the university.
