JC BOSE VARSITY SIGNS MOU

Faridabad: To provide hands-on training and experience on live projects to students and faculty members in the field of automation and robotics, JC Bose University of Science and Technology, YMCA, Faridabad on Friday signed an MoU with RVM CAD Consultants, which is a Faridabad-based company having expertise in the field of computer-aided design (CAD), computer-aided manufacturing (CAM) and computer-aided engineering (CAE). The MoU was signed by registrar Dr SK Garg on behalf of the university and director of RVM CAD Ravi Makhija on behalf of the company. Chairperson of electrical engineering, Prof Poonam Singhal and director, industry relations, Dr Rashmi Popli were also present on the occasion. Vice Chancellor Prof Dinesh Kumar said the university was striving to upgrade its academic curriculum to meet the industrial requirement related to emerging technologies. He said the university had also started a new BTech programme in robotics and artificial intelligence from the ensuing academic session.

WEBINAR ON SCIENCE & TECHNOLOGY

Faridabad: JC Bose University of Science and Technology YMCAs, Faridabad organised a national webinar on 'Development of science and technology in India' to celebrate Azadi Ka Amrit Mahotsav in association with Vigyan Bharati Haryana, Faridabad. The programme was presided over by Vice Chancellor Prof Dinesh Kumar. The chief guest of the programme was Director CSIR-National Institute of Science Communication and Policy Research (NIScPR), Prof Ranjana Agrawal. She enlightened the gathering about the contribution of Indian scientists in development of science and technology in India. She described the sacrifices made by great scientists of India during the colonial period. The keynote speaker was DGM (retd) IOCL, R and D Centre, Krishna Singhal who gave a broad sketch of Indian sciences starting from the era of Charak, Sushruta and Aryabhatta.
