**Report of Expert Lecture on Career Prospective in Banking Sector**

The Chairperson, the Department of Business Studies, Dr Manisha Goel has organized an interactive session on “Career Prospective in Banking Sector” on 23<sup>rd</sup> July, 2022 from 9:00am to 11:00 am by Ms Neha Shrivastava for students of B.Com (H). Ms Neha Shrivastava is an affluent Relationship Manager with Axix Bank Ltd – Managing high net worth customers and their portfolio in terms of multiple financing product positioning according to the client’s risk appetite and requirements with experience of more than 10 years.

More than 50 students of B.COM (H) attended the session. Students welcomed Ms. Neha Shrivastava with great zeal and enthusiasm. Ms Neha Shrivastava discussed about career prospects in banking sectors. The banking sectors are the backbone of any economy. Everyone having a basic education in the field of commerce is welcomed as freshers in this sector.

There are many options in banking sector such as Financial Accountant, Financial Risk Manager, Investment Banker, Equity Analyst, Asset Manager, Business Analyst, Internal Auditor, Foreign Exchange Trader, Credit Analyst, Loan Officer, Financial Manager, Financial Service Representatives etc. to acquire job in banking sector one should have knowledge of accounts, accounting software, Critical thinking, Analytical skills and good communication skill. There is stability and security in banking job. One can get internally promoted through internal exams and through seniority.
