Report of Expert Lecture by Mr Mohan Kumar

The department of Business Studies has organised an expert lecture on "Hands on training of Tally Software" on 25th July 2022 from 10:00am to 12:00pm by Mr. Mohan Kumar, Chief Financial Officer in Onetick Technologies Pvt Ltd for B.Com (Hons) students under Chairperson Dr. Manisha Goel. The expert lecture was co-ordinated by Dr. Shruti, Guest Lecture co-ordinator.

Mr Mohan Kumar is a collaborating educator, corporate professional and their portfolio in a wide array of professional accounting and taxation. He has more than 15 years of experience. Student welcomed Mr. Mohan Kumar with zeal and Enthusiasm. Mohan Kumar dicussed and explained the practicality of using Tally Software.

More than 50 students attended the session. The session provided the deep insight of recording transactions in Tally Software. Student learned to make journal entries of bank related transactions and prepare bank reconciliation statement in order to match the balances while preparing Balance Sheet. It was a great learning experience for the students.
