Ramayan signifies the victory of good over evil. It teaches us patience, determination and forgiveness. Ramayan quiz aimed to test the knowledge of students of this ancient scriptures, promote teamwork and competitiveness, and celebrate the cultural richness of the Indian subcontinent. To commemorate this, the department organized a quiz for the students. 45 students of B.Com participated in the event with great zeal and enthusiasm.

A comprehensive question bank was created, covering various aspects of the Ramayan, such as characters, events, and philosophical themes. The questions were designed to cater to participants' diverse knowledge levels. The quiz served as an educational platform, promoting and sharing the knowledge of the Ramayan. The event not only celebrated the cultural richness of the Ramayana but also fostered a sense of community within the department.

The Ramayan quiz commenced with the first round, which was a written test round designed to assess the participants' individual knowledge. Participants were given a set of questions to answer within a specified time frame. These questions were multiple-choice, testing participants' familiarity with the epic. The students were made to answer the questions through a google form. Top 20 scorers were selected in the second round.

The second round was the Buzzer round, where the 20 students formed 10 teams among themselves and played as a team. In this round, quick thinking, coordination, and strategic use of buzzer were critical to success. The questions in this round were more challenging, testing not only knowledge but also the ability to recall information under pressure. This added an extra layer of excitement to the competition. Three teams qualified to the next round.

In the final round, six students individually participated in the fast-paced Rapid fire round. The students were given limited time to answer a series of rapid-fire questions. The final round featured a mix of trivia questions and strategic challenges. The students played this round exceptionally well and Tarun, a first year B. Com student emerged as the winner of the quiz.

The Ramayana quiz organized by the Department was a resounding success. It brought together students and faculty and tested their knowledge, teamwork, and strategic thinking. The winners of the competition were awarded certificates recognition for their exceptional knowledge and strategic skills. The event is a testament to the department's commitment to holistic learning along with fostering a sense of community.

RAMAYAN QUIZ**LIST OF PARTICIPANTS**

S. No.	Name	Roll No.
1	Kriti	23001352025
