DEPARTMENT OF CIVIL ENGINEERING

(July – December 2021)

1. Faculty Development Program on Research Writing and Professional Ethics from Sept. 7-13,2021
2. One Day Seminar on “Water Resources & Geo-Environmental Challenges”

ABOUT CIVIL ENGINEERING DEPARTMENT

The Department of Civil Engineering at JCBUSTYMCA started in 2018 with an AICTE approved intake of 60 students. The Department is committed to provide the quality education in the area of Civil Engineering to transform students into graduates with high professional values.

1. Faculty Development Program on Research Writing and Professional Ethics from Sept. 7-13, 2021

GUEST OF HONOUR

Prof. R.K Garg

- Professor in Industrial and Production Engineering Department & Dean - Industry and International Affairs, NIT Jalandhar.
- Former Director - NIT Arunachal Pradesh
- Guided Over 12 PhD Students, 57 M.Tech Students with over 145 publications in various International and National Journals.
- Over 27 years of experience in academics and has handled various portfolios such as Dean Academics, Dean Research, Dean Faculty Welfare, Head of Department.
- Associate with various engineering colleges as member of Advisory Board / Governing Council.

- Faculty Development Program on Research Writing and Professional Ethics from Sept. 7-13,2021 was inaugurated online by Prof. Dinesh Kumar ,Vice Chancellor on 7.9.2021.
- Chief Guest Prof. R.K.Garg ,Dean Industry and International Affairs National Institute of Technology, discussed various problems in carrying out quality research.
- Department of Civil Engineering J.C. Bose University of Science and Technology, YMCA, Faridabad, organized the event .Dr Vishal Puri and Dr Rajni Saggi, faculty in Civil Dept. were the coordinator of the event.

2. One Day Seminar on “Water Resources & Geo-Environmental Challenges” September 14, 2021

- 1 hour session by *Prof. Sarfaraz Ali Ansari* on Water Resources & Geo-Environmental Challenges. Seminar lecture included the role of sediment transport, erosion, and scouring in rivers and canal, on flooding, as geo-environmental challenge posed by nature water resources.
- Activity Coordinator was *Dr. Ashish Agarwal*, AP Civil Engineering Department.

One Day Seminar on

Water Resources & Geo-Environmental Challenges September 14th, 2021

Programme Chair & Conveyor
Prof. M. L. Aggarwal
Dean, Faculty of Engineering & Technology
Chairman, Civil Engineering Department
J. C. Bose University of Science & Technology, Faridabad

Organizing Committee Members
Ashish Agarwal
Dr. Vishal Puri
Dr. Owais Shafi Mir
Dr. Sandeep Ravish
