

| Research Projects | | | | | | |
|--------------------------|-------------|---|--|--------------------------------|------------------------|---------------------------|
| S. No. | Year | Title of Research Project | Funding Agency | Grant/ Amount Mobilized | PI Name | Completed/ Ongoing |
| 1. | 2023 | Thermal response tests on geothermal boreholes with different configurations of heat exchanger pipes for efficient space-conditioning in the residential sector | HSCSIT, Dept. of Science and Technology, Govt of Haryana | Rs.46 lakhs | Dr. Rajni Saggu | On-going |
| 2. | 2017 | Energy Efficiency in Green Buildings using Geothermal Pile for Cooling | Department of Science and Technology (DST), Govt. of India | Rs. 26.3648 lakhs | Dr. Rajni Saggu | On-going |
| 3. | 2019 | Investigation of Load Transfer Mechanism of Geothermal Energy Pile Groups in Sand | Council of Scientific and Industrial Research (CSIRHRDG), Govt. of India | Rs.19.32 lakhs | Dr. Rajni Saggu | On-going |
| 4. | 2021 | Numerical Analysis of Bamboo reinforced concrete prefabricated wall panels | JCBOSE UST Faridabad | Rs. 2 lakhs | Dr. Vishal Puri | On-going |
| 5. | 2019-20 | Development/Restoration of Ponds | State Govt. Haryana | Rs.26,909 | Mr. Yogesh Kumar Morya | Completed |
