Brief Description of the event	<p>The expert for the session was Mr. Anil Bareja, Managing Director, Bareja Solar and Projects Private Limited, and also an alumnus of J.C. Bose UST. The session witnessed the presence of Chairperson of the Electrical Engineering Department Dr. Anju Gupta and other faculty members. The program was coordinated by Dr. Shakuntla and Mr. Nitin Goel.</p> <p>Mr. Anil Bareja was warmly welcomed by Dr. Anju Gupta by presenting a sapling. The session was held in the Multi Media Centre of the university from 2:30 P.M. where 70 students attended the lecture. Mr. Anil Bareja discussed about the origin of plastics, types of polyethylene, and waste management in the country. He very well enlightened the students about how plastics are good but misuse is bad and waste management is not regulated. The session was quite</p>

	<p>interactive and all the students gathered knowledge about the right way to use plastics. Mr. Anil Bareja was presented with a certificate of appreciation and the lecture was concluded.</p>
