

1. Name of the Activity: Visit to Renewable Energy India Expo, 16<sup>th</sup> Edition

Name of department/ Section/ cell conducting the activity	Department of Electrical Engineering
In coordination with (if any)	----
Date of conduct	October 04, 2023
Activity Coordinator	Dr. Yogendra Arya and Mr. Atma Ram
Amount Spent	Rs 6000/-
Funding/ grant from (University/ Industry/ UGC/ AICTE/ DST/ TEQIP/ Outside Society/ agency/others (mention))	Rs 6000/- (University)
Target audience:	40
No. of beneficiaries	40
Outside guests/ Details of Experts	NA
Brief Description of the event	<p>On October 4, 2023, Department of Electrical Engineering organized a visit to the 16th edition of the Renewable Energy India (REI) Expo, which took place from October 4 to October 6, 2023, at the India Expo Center in Greater Noida. This event was a gathering of esteemed policymakers, decision-makers, influencers, technical experts, and professionals from around the world, converging to address the current challenges, reforms, and technological advancements in the renewable energy sector. We had the opportunity to explore innovative companies such as Borosil Renewable, Suniy, Vikram Solar, Credence, L&amp;T, Renew Sys, Adani Solar, Aatmanirbhar Solar Pvt Ltd, Alltronix, Amphenol Omniconnect India Pvt Ltd, Biogas Engineering India Pvt Ltd, Cliantech Solutions &amp; Technologies LLP, Gautam Solar, Spark Solar, Havells, Su-Kam, vikramsolar, Saatvik, Exide Sunday, and lot more. This event provided valuable insights into the renewable energy industry and its future growth. Informa Markets in India, the organizer of the event, is dedicated to facilitating trade and innovation in specialist markets. It was an enlightening experience that provided valuable insights into the renewable energy industry.</p>
