Brief Description of the event	The Department of Electrical Engineering organized an expert lecture on the topic "Three Secrets About Electric Vehicles" on 6 <sup>th</sup> August 2024. The expert for the lecture was Mr. Vinod Chaudhary, an alumnus of JC Bose University, YMCA, currently Managing Director, Elite Auto Engineers Private Limited. Mr. Dalchand, an industry expert also accompanied Mr. Vinod Chaudhary to the lecture. He shared statistical and practical knowledge about electric vehicle trends in the country and how the future is going to be dominated by electric vehicles. His lecture included explanation of the basic design of electric vehicles, hardware, and battery. He also discussed potential problems being faced by new technologies of electric vehicles. He discussed the market share of electric vehicles in the commercial and private sectors. The target audience was students of the third, fifth, and seventh semester of B.Tech degree and students of minor degree in Electric vehicles. His lecture was supported by a clear presentation which helped the audience to

understand better. He also encouraged students for business opportunities and better internship choices. The students engaged themselves in the discussion with the expert and actively participated by asking queries. The expert lecture was coordinated by Prof. Shakuntla and Mr. Nitin Geol. The lecture ended with the presentation of mementos as a token of appreciation to Mr. Vinod Chaudhary and Mr. Dalchand by Chairperson, Prof. Anju Gupta and event coordinators. The lecture was followed by a training session on L3 Rickshaw led by Mr. Dalchand, the industry expert.
