Brief Description of the event	Department of Electrical Engg, JCBUST, YMCA organised a one-day Industrial visit to Omega Seiki Mobility, Greater Faridabad on 10th August 2023. Omega Seiki Mobility(OSM) is a manufacturing facility in Greater Faridabad .During the visit, the participants were presented with an overview of the assembly of the parts in EV cargo vehicle. They were also updated on battery design and the type of controllers that are used in the manufacturing. Participants were led through the manufacturing facility, witnessing each stage of the EV production process. Attendees gained insights into the precision and coordination required to assemble electric vehicles, from chassis to final assembly. The program was coordinated by Dr. Sakshi Kalra and Dr. Anubha Gautam. .
