

## Report on Expert Lecture

The Electrical Department of JC Bose University of Science and Technology, Faridabad, Haryana organized an expert lecture by Dr. PN Bajpai, Deputy Librarian, Pt. Deen Dayal Upadhyay Library, JC Bose UST, on the topic, "Resources of library and its uses" on 8<sup>th</sup> February, 2023, in Multi Media Centre, in the presence of Chairperson, Electrical Engineering Department, Dr. Anju Gupta and faculty members. The lecture was coordinated by Dr. Rashmi Agarwal, Assistant Professor. It was conducted for the awareness and cognize of the students of first and fourth semester of electrical engineering.

Dr. Bajpai briefed the students about the resources of the library of JC Bose UST and also demonstrated how to use e-library portal of the university. He informed the students about various resources present in the e-library portal such as previous year question papers, online e-books, magazines, newspapers and how students can utilize them to enhance their knowledge and skills. He presented a tutorial on how students can create log in Ids and have access to the e-library from anywhere and they can also check the availability of books in the library online and issue their hard copies from the library accordingly. Students paid attention and learnt the process of efficiently using the resources which university is providing.

Dr. Anju Gupta presented a token of appreciation to Dr. PN Bajpai and concluded the lecture. Students thanked the expert for the day and Chairperson for organizing such an informative lecture.
