

Department of Electronics Engineering

ACTIVITY REPORT

Name of Activity: Expert Lecture on EMF Radiation Myths (27th May, 2022)

Name of Department conducting the activity	ElectronicsEngineering
Date of conduct	27 th May 2022
Days of Activity	1 Day (1 Hour)
Nature of activity	Expert Lecture
Funded/ Sponsored by from(University/Industry/UGC/AICTE/DST/TEQIP/Outside Society/agency/others(mention)(ifany)	Not Applicable
Activity Coordinator/s	1. Dr. Sonam Khera 2. Ms. Neetu Gupta 3. Ms. Gunjan Sardana
Total Amount Spent	Not Applicable
Target audience	UG, PG students, Research Scholars and Faculty members
Total No. of Registered Participants	90
No. of Registered Participants from Other Institutions	Not Applicable
No. of Registered Participants from Other Country	Not Applicable

No.ofParticipants completing the program	90
No. of Expert/s during the program	One
Name of Expert/s	Sh. Amar Relan, Director, Department of Telecommunication, Government of Haryana
Link of the Activity on website	-
Video Link of the Activity(if any)	-
Detailed Activity Report	<p>An Expert Lecture to remove myths about ill health effects of radiations from Mobile Towers was organized by Department of Electronics Engineering, J.C. Bose University of Science and Technology, YMCA, Faridabad in collaboration with the Department of Telecom, Haryana LSA.</p> <p>Sh. Amar Relan, Director, DoT gave a presentation on the topic & explained to the students that radiations from Mobile Towers are Non ionizing radiations & the emission levels are below the limits prescribed by DoT, Govt. of India. Further in India the prescribed emission limits are 1/10th of levels prescribed internationally by ICNIRP (International Commission on Non Ionizing radiation protection). In addition to the Self Certifications by the Telecom Service Providers, the radiation levels from the towers are randomly tested by DoT teams. He also gave a practical demo on how the radiation level is measured in field by DoT team.</p> <p>The expert lecture organized by Dr. Sonam Khara, Ms. Neetu Gupta and Ms. Gunjan Sardana was conducted in hybrid mode and was attended by more than 90 participants which included UG and PG students and faculty members of Electronics Engineering Department. Prof. Pradeep Kumar Dimri, Chairperson EE Dept., Prof. Munish Vashishath and Prof. Neelam Turk were also present on this occasion.</p>

J. C. Bose University of Science & Technology, YMCA, Faridabad
NAAC 'A' Grade accredited University
NH-2, Sector-6, Mathura Road, Faridabad – 121006, Haryana, India

Department of Electronics Engineering
is organizing an Expert Lecture on

EMF Radiation Myths
By
Sh. Amar Relan, IES
Director, Department of Telecommunication,
Government of Haryana

Eminent Speaker
Sh. Amar Relan, IES

Prof. Pradeep Dimri, Chairperson
Dept. of Electronics Engineering

On 27th May 2022 at 11 AM (IST)
Venue : Lecture Hall (S8)

You can also join us on [Zoom Meeting](#):
Meeting Id: 991 9985 9020
Passcode: 12345678

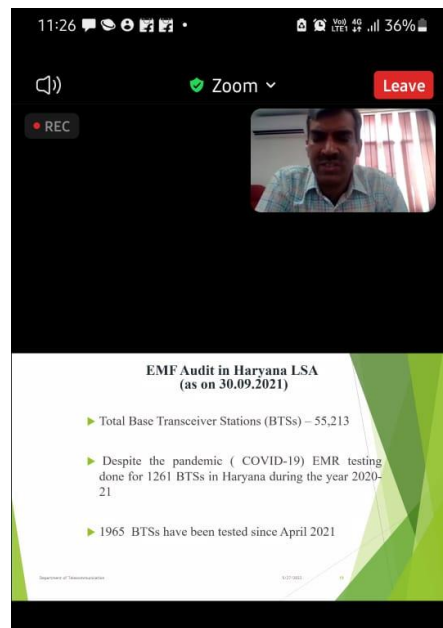

Advisory Committee:
Prof. Munish Vashishath
Prof. Neelam Turk

Nodal Officer
Dr. Sonam Khera

Program Coordinators: Ms. Neetu Gupta and Ms. Gunjan Sardana

Faculty members, research scholars and PG students of all the departments are cordially invited.

Attach good quality photographs (with captions)

Sample Certificate of the Activity	Not Applicable
