One Week Short Term Course
on
"Curriculum Implementation"
(08.10.2018 – 12.10.2018)

Sponsored By

National Institute of Technical Teacher's Training and Research, MHRD, Govt. of India, Sector 26, Chandigarh

Organized at
Department of Electronics Engineering

YMCA University of Science and Technology, Sector 6, Faridabad, 121006 (Haryana)

Patron
Prof. (Dr.) Dinesh Kumar (Vice-Chancellor)
YMCA Univeristy of Science and Technology, Faridabad

Programme Chair
Prof. (Dr.) Munish Vashishtha (Chairman,
Department of Electronics Engineering
YMCA Univeristy of Science and Technology, Faridabad

NITTTR Coordinator
Dr. Arvind Bal Gupta
Prof. and Head
Department of Curriculum Development
NITTTR, Sector 26, Chandigarh-160019

Coordinators
Dr. Sheilza Jain
Mr. Lalit Rai
Electronics Engineering Department
YMCA Univeristy of Science and Technology, Faridabad

Address for Correspondance
Dr. Sheilza Jain (9818886957)
Mr. Lalit Rai (9467730499)
STC Coordinators

About NITTTR

NITTTR was established in 1967 to train better quality technician to cater the large scale need of rapidly growing industry in the field of computer, educational technology, rural development, educational management. The institute offers regular master courses in Engineering Education, Manufacturing Technology, Construction Technology and Management, Computer Science and Engineering, Instrumentation and Control and Electronics and Communication Engineering. All these programs, being offered by NITTTR are duly approved by AICTE and affiliated to Panjab University, Chandigarh. The institute offers more than 400 short term courses annually for polytechnics, engineering college teachers, professionals and managers from industries.

About YMCAUST, Faridabad

YMCA University of Science and Technology has been in existence for the past 48 years and consistently been contributing towards creation of competent engineering professionals and entrepreneurs. An Institution that had a humble beginning as a post diploma institution and famous for generating skilled technical human resource for the industry has been elevated in 2009 as University of Science and Technology to further create competent human resource in diversified areas of Science & Technology. The competence of the University has been recognized at various levels by the agencies like UGC (grant of 12B status), accreditation (NAAC Grade 'A'), NIRF (best ranking amongst State Engineering Universities in Haryana), etc.
The University offers B.Tech Degree courses in Electronics and Communication Engg, Instrumentation and Control Engg., Computer Engg, Information technology, Electrical Engg., Mechanical Engg. and Civil Engineering.
The university has also added new chapters in its glorious history i.e BBA,. MBA, BCA, MCA, M.Tech, B.Sc., M.Sc. (Physics, Maths, Chemistry & Environmental Sciences), M.A. (Mass Communication and Journalism) and Ph.D in various disciplines.

Moving ahead on the path of excellence, the University is ready to effectively take up the forthcoming challenges in diversified domains. To accomplish this, new courses are being added and new facilities are being developed on continuous basis. Inculcation of ethical and moral values among youth is one of our prime concerns.

About the Department

The Department of Electronics Engineering is committed to impart technical education in most efficient manner to its students. It was established in year 2012 (earlier combined with Electrical Engineering Department and known as EEE Department running since inception of YMCAIE). The department has equipped itself with workshops/labs and syllabus for achieving engineering education excellence, from the support of excellent faculty of the Department, YMCA UST has established itself as well known entity in field of Electronics education. The syllabus of the Department composed of the fundamental concepts blended with ultra-modern topic to impart quality technical education, the lab/workshops consists of basic instrument to software/simulators for providing the student a feel of industrial work environment. Department of Electronics Engineering is running various UG, PG and Ph.D. programs.

About the Program

The program curriculum Development and implementation can be opted by the teachers from all the streams. The focus of the program is to discuss about the learning to learn skills, taking appropriate decision in curriculum development and implementation

Course Fee

There will be no course fee from the participants sponsored by competent authority.

Participation

The program is interdisciplinary and is open to faculty and technical staff from university /Institute/Engg..College/ Polytechnic, participants sponsored by director technical and nearby local engineering colleges/technical institutions authority.
