Brief report of the each Event:	1. The webinar that was open for all the faculty and students of JCBUST, gave an insight into the impact of COVID 19 pandemic on technology, economy and infrastructure of the nation. The speaker gave a new dimension to the thinking of the participants by telling them how technology and economics will restore the nation's path towards progress in this COVID and post COVID era. He also emphasized that though the pandemic has affected our lives enormously but continuity is the law of nature and that it is during these tough times that crisis can be converted into opportunity. 2. The TEQIP sponsored one week FDP aimed at bridging the skill gap between academia and industry. It was inaugurated by Prof Dinesh Kumar, Hon'ble VC, JCBUST, Fbd and Sh. Raj Nehru. Hon'ble VC SVSU GGM. The program was attended by almost 100 participants from 12

different colleges of haryana and chennai, kanpur, lucknow, ghaziabad, banaras and delhi. 12 speakers from the pedestals of industry and academia addressed the audience and highlighted various issues that are confronted by young graduates in acquiring jobs and to fit in the real world work environment.
