SKETCHING COMPETITION

Sketching competition is a platform for creative expression by college students and young adults. The sketching competition has been organised by Dr Manisha Goel and Ms Sonali Gupta on 15th oct. 2018. The students were allowed to use any paper to showcase their creativity with pencil sketching. In the festive mood the sketching competition was conducted successfully. 45 students from MBA and BBA participated in the event.

Students portrayed various facets of life ranging from relationship between child and mother, connect to nature, friendship and so on. Dr Manisha Goel, Ms Anushree Chauhan and Ms Rupali Madan judged the designed created by students. Ms Parul from MBA won the first position in sketching competition.
