Event Report: The Institution's Innovation Council (IIC) of the University in association with Department of Management Studies organized a session on Government Initiatives and Schemes for start-ups. This session was organized to acquaint students and faculty members with the scheme and support provided by the government to promote start-ups in the country.

The session was organized on 18th November 2021 at 3 pm on zoom platform. Mr. Surya Kant, Nodal Head (Entrepreneurship), Ministry of Skill Development and Entrepreneurship, Government of India was the expert resource person. He started the session by explaining the difference between an entrepreneur and a start-up. He highlighted that an entrepreneur is the who is self-inspired. The main source of ideas for an entrepreneur is the society. He explained the entrepreneurship ecosystem and emphasized that an entrepreneur needs to identify the problem, generate the need, listen, and explore. He explained it by giving real corporate examples of companies like ola and uber. He advised students to develop

innovative thinking, lead through collaboration, and combine tenacity with confidence. He strongly emphasized that we need develop ourselves for entrepreneurship before seeking support from government. He acquainted students with various initiatives taken by government like start-up India Online platform, role of MSME and their development Institutes, MEITY, Atal Incubation Centre and state-based programs. He presented the Start-up India online platform and advised students to make a profile on it, everything related to start-up ecosystem like learning resources, patents, state start-up policies, networking opportunities etc. are available on this platform. Students asked a few questions relating to their start-up ideas and how they can prepare a business plan. Resource person advised them to use business model canvas to make their business plans. It was a fruitful and interactive session.
