She had conducted learning and orientation programs with ease and confidence. She was the first hand capable resource person to train all interns in Human Resource processes. She handled complete Talent Acquisition projects which resulted in providing high level quality talent to our clients.

I therefore strongly recommend Urvashi as I have no doubt in my mind that her diverse background has prepared her for her future career opportunities. Her passion for Human Resource in the Consulting field will make her as valuable in HR as she was in our organization. I am confident she will be a strong asset to any organization.
