*Approved in 37th EC Meeting dated 22/04/2020*

## **PREFACE**

Training and Placement is an important aspect of any professional university. JCB UST YMCA puts lots of effort and energy to make successful placement of its students. This is very well reflected from our previous placements records. However, the success in placement of individual depends on his/her ability to attract, engage and leave a mark on the recruiting companies with the right attitude, aptitude, knowledge, skills, motivation and energy. This policy is designed to ensure that the Students of our university will present their potential in front of the companies, engaging with them through proper attitude, and make an impact on them with their knowledge and skills.

In view of the above the JCB UST YMCA will conduct a number of activities prior to the placement, during the placement and after the placement. These activities will include pre-placement training sessions on aptitude, technical and communication skills, Talks and sessions by industry persons, web and other presentations, on different aspects of learning, coding and technologies. Participation in Such events and activities give an edge to student and prepares a student to face the recruitment process confidently as he/she has something to showcase in front of the recruiter which put him/her apart from others. A positive impression of student's engagement with the recruiting companies gives a favourable impression of our students and companies would like to engage with the University in the long term.

## **VISION & MISSION OF TRAINING & PLACEMENT CELL**

### **Vision**

**Training & Placement Cell**

**PART 1 : Placement Rules & Regulations**

The Training and Placement cell, J.C Bose University of Science & Technology, YMCA Faridabad welcomes all eligible students to the placement season. We strive to extend all possible support to provide right career opportunities to our students to fruitfully pursue their career interests. The Training & placement cell endeavours to achieve the best possible placement outcomes. To meet the expectations of all the stakeholders, the placement policy has evolved over the years. In order to achieve the best possible results for all, J.C. Bose UST YMCA and recruiting organizations, all students are expected to understand the placement policy and follow it strictly. The placement policy is applicable to all students registered for campus placements and internships and is to be followed during the entire duration of the placement season. The Training & Placement Cell, only acts as the facilitator in calling companies to the campus for placements as well as internships. Registration for the campus placement or internship does not guarantee placement or an internship. Students not interested in placement are advised not to register for placement. No dues certificate from the institute will not be issued to placed (on/off campus) students unless the signed copy of the offer letter is submitted at Training & Placement cell.

**J.C. Bose University of Science & Technology, YMCA, Faridabad**  
**Training & Placement Cell**

## **1.1 Registration Process for Students**

- Undertaking must be signed by all students that he/she wants to opt for either Placement from University or interested for Govt. Job or interested for higher studies. Only those students, who have opted for placement, will be allowed to participate in recruitment process through T&P Cell.
- Undertaking by students along with the parents has to be submitted that they have read & accept Training and Placement Policy (Form P01).

## **1.2 Placement Policy for Company**

1. The company should provide the relevant details to the Training & Placement Cell (T&P Cell) as an e-mail.
2. The relevant details shared by company are electronically broadcasted to all the students along with the other additional information furnished by the company.
3. The company can ask for the resumes of eligible and interested students and has the liberty to shortlist them before beginning of the placement process.
4. The company will be allotted slots and dates (Placement Calendar) for conducting Pre-Placement Talk (PPT)/Written Test/Online Test with a request to confirm the same by a specified date. On failing to do so, the allotted slot may be given to other companies on their request. Request for any change in the slot can be entertained subject to its availability.
5. Information about the company and the job profile for companies visiting J.C Bose UST, YMCA for internships/placements would be provided to the students.
6. T&P Cell updates Placement Brochure every year and share the same with all recruiters along with campus invite through e-mail. (Format of Brochure – Form P04)
7. T&P Cell generally allots a date and a slot to the company for the final placement process based on the following criteria:
  - a. Job profile and growth prospects
  - b. CTC being offered by the company
  - c. Past records of recruitment
  - d. Internship offered for final year students.

## **1.3 Recruitment / Selection Process**

### **1.3.1 Rules**

#### **1.3.1.1 On-Campus Placement Rules**

- The T&P Cell will notify through group mail, online portal, whatsapp group and on the Placement Notice Board all recruitment requests received from the companies with as much of details as made available. Applications will be invited from interested and eligible (as per the criteria, if any, specified by the recruiting company) students. It is the duty of every student to regularly see the Group messages, mails, online portal & Placement Notice Board and comply with the same through CRs (Class Representatives).
- All applications to the companies are to be made only through T&P Cell. If a student does not apply through proper system in coordination with their respective CRs, he/she will not be allowed to participate in the selection process of that company.
- The student can withdraw his/her application to a company ONLY if the last date of application to that particular company is NOT over. There can be no withdrawals after this date.
- After the last date of application all rules and regulations (including absenteeism penalty) will be applicable.
- The decision to apply or not by eligible students will purely be their own.
- 100% attendance is required in the pre placement talks/ presentation. Student absent in placement talks/ presentation will not be allowed to participate in future placement. Students are responsible for their attendance during any activity.
- In case of a large response to a recruitment opportunity either exceeding the maximum number of applications required by the recruiter or deemed fit by the T&P

**J.C. Bose University of Science & Technology, YMCA, Faridabad**  
**Training & Placement Cell**

Cell, selection of number of resumes to be sent will be based on CGPA, Employability Assessment rating / grade, attendance in pre-placement talks and personality development & preparatory classes (including mock interviews), and / or any other criteria decided by the T&P cell. The decision of the T&P cell will be final and binding on all the students.

- It will be mandatory for all short-listed students to appear for the selection process / interview. Any withdrawal / no-show will debar/blacklist them from placement assistance of the University. Show cause notice will be issued against such students. Once show cause notice is issued, students have to come along with their parents in T&P Cell.
- One student is allowed to secure only two jobs i.e Dream Job/ Non Dream Job. Border line between Dream and Non Dream Jobs is the salary package of five lakhs. However difference of at least one lakh must be there in two jobs. (If first offer is 4.8 LPA then next offer should be more than 5.8 LPA.)
- Fifteen numbers of maximum attempts will be given to a single student to participate in campus drives. If student is not selected by any company even after fifteen attempts then they will not be able to participate / apply in any further campus drives.
- If any student gets placement offer from the company where he / she did internship after getting selected in another company through campus placement then student will be allowed to decline lower package offer only when the minimum difference between two offers is 5 LPA.
- Students have to join the company who declares their result first, irrespective of package or number of interviews given by students.
- If student is selected in any company having bond / agreement, then he/she will not be able to apply in any other company irrespective of salary package (Dream / Non – Dream).

**J.C. Bose University of Science & Technology, YMCA, Faridabad**  
**Training & Placement Cell**

- If a company is not having bond but if they still want their selected students, not to apply in any other company then students have to follow rules / regulations of the company.
- In case a company does not give its final selection list on the same day it visits the campus, then the students will be allowed to appear in other companies visiting on subsequent days till they finally get selected.

- If student is found absent all the times during faculty visit then he or she will not be considered for the evaluation at the end of semester.
- All students are required to submit training completion certificate and training report in prescribed format provided by T&P cell before proceeding for Training Viva. T&P cell will not forward training marks of students who do not submit their training completion certificate.
- Minimum 75% attendance is required for a student to appear for end term examination.
- Faculty Departmental T&P coordinators are required to assign groups of students to faculty members for mentoring and training assessment purpose with the consent of respective chairpersons before or at the start of training.
- Faculty Departmental T & P coordinators are required to collect assessment of students from faculty members and submit them to T&P cell in prescribed format.

**J.C. Bose University of Science & Technology, YMCA, Faridabad**  
**Training & Placement Cell**

- Absenteeism of trainee on the day when faculty members visit company for training assessment may result in disciplinary action against the trainee. Also student will mark as ZERO in the respective assessment.
- For MBA Trainees, the report must be submitted within one month from commencement of third semester. One chapter must be included about history of the organization, its structure, products and services offered. The average size of report will be 60 to 80 typed pages in standard font size 12 and one half spacing on A4 size papers. It is mandatory that student will make presentation and present it in presence of teachers and students.
- For M.Sc. (Env. Sci.) students, summer training is assessed on the basis of a power point presentation of the work done and a spiral bound report as per format submitted in the department.
- Allocation of mentors for dissertation work is done at the beginning of IV<sup>th</sup> semester. The mentor keeps a check on the work done by assigned student during their training part. The internal assessment of the Industrial Training/Project work shall be done by submitting two progress reports along with a power point presentation once every month before final submission of the report and these contribute in final evaluation as internal assessment. The final evaluation is done by external expert. Hard bound report as per prescribed format is to be submitted with the department.
- CRs are responsible for circulating the information issued by T&P cell among their classmates.

## **2.9 Training (Internal / External) marks Calculation**

The total internal / external prescribed marks for Training assessment will be as per scheme of respective departments. Sessional marks of a student during training will consists of following categories:

**J.C. Bose University of Science & Technology, YMCA, Faridabad**  
**Training & Placement Cell**

S.NO	Name of Category	Weightage (%)
1	Assessment by Mentor (MA)	30%
2	Assessment by Faculty member(FA)	40%
3	Attendance marks (AM)	15%
4	Marks from T& P cell (MTPO)	15%

Where Attendance Marks (AM) of a student can be calculated as below

S.No	Percentage Range	Status	Marks Given
1	90>=Attendance<=100	outstanding	100% of AM
2	80>=Attendance<=89	Excellent	85% of AM
3	75>=Attendance<=79	Good	75% of AM
4	Attendance<75	Average	0

Total sessional marks and Practical Marks (Training Viva) during Training are calculated using following formulas:

(A) Sessional marks= 30% (MA)+ 40% (FA)+ 15% (AM) + 15% (MTPO)

(B) Practical marks= 50% (Project File & its contents) + 50% (Presentation & communication)

## 2.10 Training Feedback & its impact analysis

- Two feedbacks forms are given the students before proceeding for training. These are:
  - (i) Feedback by student for T& P Cell (Form T15)
  - (ii) Feedback by student after completing Training (Form T16)

**J.C. Bose University of Science & Technology, YMCA, Faridabad**  
**Training & Placement Cell**

- Form 15 will be submitted before proceeding for the training along with the file submitted by the student and Form 16 will be submitted after the completion of the training.
  - Form 16 will send to student's respective department for further impact analysis. Chairpersons of the department are required to send one copy of impact analysis to T& P cell.

## Instruction for Candidates for Industrial Training of MBA students

1. It is mandatory for every student to complete 6-8 weeks of industrial training after 1<sup>st</sup> year. Students can be assigned companies for the same either through the training and placement cell or training can self-arranged by students but approval from training and placement office is mandatory.
2. No request of change in the company will be entertained, once the training letter is issued. So think, discuss and re-think before you finally decide to apply to a company and accept the offer.
3. During the tenure of training mid-term assessment will be done by the faculty members of the concern department during the period mentioned in your training letter.
4. The university is free to conduct any surprise visit without any prior confirmation.
5. It is mandatory for every student to provide updated contact details of mentor and the company so that in case of any queries they may be contacted.
6. It is mandatory for every student to update their contact details with TPO office before leaving for training.
7. If a company chooses to change the address of your training place then the same maybe updated with the TPO office without any delay.

I declare that all the above instructions have been read by me carefully and will abide by all the instructions. In case, I fail then university authorities are free to take any disciplinary action as per the rules.
