## **Introduction**

Alumni are the emissaries of an academic institution and their contribution and support is very important for growth of an organization. Keeping this in view, YMCA MOB Alumni Association was established in 1985. It works to connect alumni, support students and build an unforgettable institute experience through a diversity of events. MOB, (an acronym for Meet Old Buddies), the Alumni Association is a dynamic, member-focused organization directed towards connecting the University community locally, nationally as well as globally, promoting a spirit of unity and loyalty among graduates, former students, and associates. In brief, its vision is to Connect, Collaborate, Engage, Succeed and Celebrate.

Alumni & Corporate Affairs Cell in collaboration with YMCA MOB has organized a number of Alumni Meets and many events that provided a platform for university alumnus/alumna to reunite with their batchmates, current students and teaching faculties to share their views, experiences, feedback that played a vibrant role in designing policies, curriculum for betterment of student's progression and placements. Further they provide a perfect legacy in the corporate sector and other work settings with their knowledge, skills and values.

The YMCA MOB Alumni Association is contributing their Alma Mater through Financial and non-financial means for development of the university.

## **Non- Financial Contribution:**

- Designing and refining of the academic curricula as per the industrial needs either through their feedback or as member of Board of Studies of different disciplines.
- Experiential knowledge sharing for preparing outgoing students as employees in various companies/institutions.
- Participation as resource persons/ speakers in the conferences, workshops, expert lectures and seminars to spread awareness of latest industrial trends among the students.
- Involvement in various student related sports, cultural and literary activities.

## **Financial Contribution:**

- Infrastructure Development and quality enhancement of the University.
- Supported economically weak and needy students.
- Construction of Golden Jubilee Gate which adds to the glory of our university.
- Establishment of Community College

- Establishment of Incubation center that promotes culture of innovation, startup and entrepreneurship.
