No. of Registered Participants from Other Institutions	None
No. of Registered Participants from Other Country	None
No. of Participants completing the program	669
No. of Expert/s during the program	—
Name of Expert/s	—
Link of the Activity on website	

Video Link of the Activity (if any)	
Detailed Activity Report	<p>The Department of Environmental Sciences, J.C. Bose University of Science and Technology organized a one-week tree plantation drive from 16th August 2023 to 23rd August 2023 for all UG and PG students. This drive was initiated to implement the “MeriLiFE massive Tree Plantation Drive” launched by Govt. of India and AICTE mission “One Student One Tree”. The plant sapling distribution took place near University Horticulture Centre. Saplings of following trees were arranged from the District Forest Office: Jamun, Neem, Sahtoot, Belpatr, Sahjan, Pilkhan. Each department was given a time slot on these designated days for collection of tree saplings. Teacher coordinator of each class from the department took the students at the allotted time for sapling collection. Students of Vasundhara Eco-club distributed the plant saplings. The students were instructed to plant the tree in suitable place: park, house, University etc. and take care of that saplings for initial 2 years. Geo-tagged photograph with sapling was also taken for each class with the respective teacher coordinator and the same was uploaded by registering on MeriLiFE portal.</p>
