| Any other information | Short description of Activity (Max 100 words) Department of Environmental Sciences in collaboration with Vasundhara Eco-Club, J.C. Bose University of Science and Technology, YMCA Faridabad organized poetry competition on World Earth Day on 22 nd April, 2024. Earth Day reminds the world about the importance of environment conservation and sustainability, encouraging us to come together and take action for a healthier planet and brighter future. The day raises awareness and inspires change, fostering a deep connection with nature. It is about taking action to tackle the global crisis. This year theme is Planet vs Plastic. The poetry |

competition was based on conservation of natural resources with emphasis on water conservation.

The students also showcased their talent through varied energetic performances. The program was open to all the University students. Dhruv, Shilpi, Akash, Aadarsh and Tannu were some enthusiastic participants in the cultural performances. The Chairperson, Department of Environmental Sciences, Dr. Renuka Gupta, Dr. Ashima Sharma- Assistant Professor in Department of Life Sciences and Ms. Shashi- Assistant Professor in Department of Environmental Sciences were the judges for the poetry competition. The cultural performances were followed by prize distribution. Winners of the poster making competition held earlier were awarded trophies and certificates. Riya Bhatia (B.Sc. Maths) got first prize, Vanshika Yadav (B.Sc. Maths) got second and Komal (MA. English) got third prize. Similarly in Poetry competition, Sanjana , got first position, Bhumi (B.Com Hons.) got second, and Nishtha Garg got third position. The program ended with vote of thanks and group photograph. It was successfully organised by the student team lead by Jyoti, Urvashi, Tushar, Rahul, Sakshi, Prince and others under the guidance of faculty coordinator, Dr. Anita Girdhar, Assistant Professor in Department of Environmental Sciences.
