

MoU with UiT – The Arctic University of Norway

J C Bose university of Science & Technology, YMCA Faridabad signed an MoU with UiT – The Arctic University of Norway. The MoU has been signed between Department of Electronics Engineering, JC Bose UST and Faculty of Engineering Science and Technology, UiT – The Arctic university of Norway to establish a mutual beneficial relationship built on academic and scientific cooperation in which the parties can work together in a collaborative framework.

As a result of continuous encouragement and unflinching support of Hon'ble Vice Chancellor, Prof. Dinesh Kumar, the two institutions have entered this association with the intent to develop research projects, joint publications, and joint supervision. The two institutes shall also exchange expertise through delivering expert lectures and co-hosting workshops.

Prof. Bjørn Solvang, Dean Faculty of Engineering Science and Technology, Prof. Arild Steen, Head of the Electrical Engineering Department and Dr. Pawan Sharma, Associate Professor, Electrical Engineering Department from UiT – The Arctic University of Norway and, Prof. Vikas Turk, Dean Academic Affairs, Prof. Neelam Turk, Chairperson Electronics Engineering Department, Prof. Pardeep Dimri, Department of Electronics Engineering, Dr. Shilpa Sethi – Director, International Affairs from JC Bose University graced the ceremony with their presence. Prof. Vikas Turk addressed the gathering and expressed the hope to implement the MoU in letter and spirit. Prof. Neelam Turk expressed the delight and efforts taken by Director, International affair cell to facilitate the association between department of electronics engineering, JC Bose UST and faculty of engineering science and technology, Department of Electrical Engineering, UiT Norway.

Earlier, Dr. Shilpa Sethi welcomed the distinguished guests and apprised the gathering about the scope of MoU. She also appreciated the efforts of Dr. Pawan Sharma from UiT and Dr. Manish Gupta from JC Bose UST for their continuous and sincere support in establishing this MoU. Further, Prof. Pardeep Dimri assured the cooperation of Electronics department in carrying the joint activities under the aegis of this MoU. Dr. Rajeev Saha presented the vote of thanks. Dr. Mamta Kathuria – coordinator, IAC and other faculty members from Electrical Engineering department were also present during the program. The MoU was facilitated by team international affairs and coordinated by Dr. Sapna Taneja, coordinator International Affairs cell.
