**Sub: Regarding generation of APAAR IDs for all the students admitted during the academic session 2025-26**

We are pleased to inform you about a significant initiative aligned with the National Education Policy (NEP) 2020. As part of this transformative vision for the Indian education system, we are introducing the Automated Permanent Academic Account Registry (APAAR) ID for all students admitted during the session 2021-2022 and onwards. The APAAR ID embodies the vision of "One Nation, One Student ID," ensuring a unified and accessible academic experience for students across India. This lifelong academic passport consolidates all achievements and credentials of a student in one place.

APAAR assigns a unique and permanent 12-digit ID to every student, offering a comprehensive record of their academic achievements, including degrees, scholarships, awards, and other credits. This identifier remains with the student throughout their educational career, fostering a seamless transition from one level of education to another.

**Benefits to Students:**

1. **Unified Academic Identity:** A single platform to consolidate and showcase academic records.
2. **Streamlined Student Records:** Simplifies record-keeping for students, parents, and educators.
3. **Digital Repository:** Securely stores academic data and achievements.
4. **Seamless Academic Mobility:** Facilitates smooth transitions between educational levels.

**Manual to Generate APAAR ID:** <https://tinyurl.com/abcdmanual>

It is imperative that every student generates their APAAR ID to comply with the requirements of NEP 2020 for academic mobility.

Accordingly, all Chairpersons of UTDs are requested to impress upon their students admitted during 2025 the need to open Digi-locker account and APAAR account. Students are requested to upload the ABC ID on the University web portal <https://jcboseustymca.co.in> through their own ERP login **by Feb 16, 2026**

All Directors/Principals of affiliated institutions and Principal CCSD are requested to arrange to supply the requisite data in the attached format **latest by Feb 16, 2026**.

**It may be noted that first-semester DMCs for students admitted in 2025-26 will be issued only to those students whose ABC IDs are submitted as per the schedule notified above.**
