ACCEPTANCE LETTER FOR RESEARCH PROJECT

Name: Dr. Ashima Sharma (Principal Investigator) *(Signature: Ashima Sharma, 21/8/23)*
Department: Life Science
Title of the Project: Prototype development and testing of E. coli-derived recombinant Human Serum Albumin for its bio-technological usage.
Amount Sanctioned: Rs. 2,00,000/- only (Rupees Two Lakhs only)

Terms and conditions:

1. The research project is not being supported by any other funding agency.
2. The terms and conditions related to the grants are acceptable to the Principal Investigator.
3. Mid-term evaluation meetings for ongoing projects will be organized by the University after the completion of eight months (A total of three reports in the tenure).
4. The University would decide the continuance of the project on the recommendations of the Mid-Term Evaluation Committee. If Principal Investigator fails to attend mid-term review meetings, the University may discontinue/cancel the project in normal circumstances and the entire amount is to be refunded by the Principal Investigator to the University.
5. After the completion of project tenure i.e. two years the parent department of PI should arrange to make the final assessment/evaluation of the project by a minimum of two expert members not belonging to the University. Finally, the department should forward all required documents along with the expert committee report to the University.
6. The funding amount will not be used for purchasing the following items: (i) the Item does not pertain to research work (ii) the Item is not allowed for purchase under the scheme (iii) the Item asked already exists or will be made available to the researcher.
7. The duration for completion of the project is 2 years from the issuance of this letter.
