

Dean Student Welfare Office

The office of the Dean Students' Welfare (DSW) is a student care center that serves as a relationship between students and administration. It covers all facets of the student's life at J.C Bose University of Science and Technology, Faridabad, whether it is a hostel life or life at play ground or life in classes. In general, it works towards the welfare and well-being of the students in the campus, so that a healthy environment is created for all round personality growth of the students. DSW closely works with students across all years to provide leadership, social, extracurricular and academic counselling programmes. Student Welfare department tries to nurture students' mental, physical, cultural growth with various activities to improve their overall personality development and to make them civilized Indian citizens to compete in the globalized world.

To support the University's educational goals to enhance or address aspects of the entire student experience, the Office of Student Welfare has a professionally trained team to help students through the unanticipated problems that sometimes comes in their way. To accomplish this, University has student's clubs like Nataraja, Srijan, Ananya, Vividha, Jhalak, Tarannum, Vivekanand Manch, Microbird, Manan, Mechnext, Samarpan, IEEE, SAE Collegiate Club, Eklavya, Niramayam, NCC, YRC that organizes different activities are undertaken for all round personality growth of the students.

DSW office helps students with -

Events - A major hand behind all the successful events like Fresher's, Elements Culmyca, and much more.

Support - Provides support towards the technical advancement of students via workshops, events, etc to provide hands-on experience to the students.

Co-Curricular Activities - Promoting co-curricular activities along with academics to inculcate all-around development of the individuals.

Clubs - Bringing all the clubs together to strive for a fruitful outcome.

DSW office also makes students genuinely happy by -

University Cultural and Technical Fest

Elements Culmyca, the annual inter-college, cul-tech festival of JC Bose University of Science and Technology, YMCA has grown on to become one of the most popular college festivals of NCR with 1000+ participating students, 40+ participating colleges, and an expected footfall of over 10000 which tends to increase each year

Introducing Students to College Life

Induction program is a 20 to 30 days continuous event that takes place during the arrival of a new batch so as to introduce them to the University and its clubs. The induction program gives an opportunity to the newbies to explore the University campus, get to know about the clubs prevailing in the University, and also motivates the students by calling renowned public speakers from all over the world.

Fun Night for New Students

Reizo is the name given to the freshers of JC Bose University, YMCA. It is a small introduction to the clubs of the University as each club presents their performances like dancing, singing, yoga, anchoring, and much more. After the freshers, all the clubs start taking their auditions and let the newbies explore their areas of interest and giving them the chance to be a part of the talented groups.
