It has come to the notice that some of the students have lost their library books in the hostel during Covid period when they vacated their hostel rooms to make hostel as Covid Care Centre. They couldn't find some of their library books after they returned to the hostel. Some communications have also been received from the students who lost their books during the period.

In this regard, it is suggested to the students to give fresh application to the Librarian (duly verified by the Chief Hostel Warden) by 5th August, 2022 failing which no such cases will be considered.
