Important Notice for Students

Sub: Clarification regarding results being declared for the B.Tech 3rd semester examination held in March 2021.

Reference B.Tech 3rd semester exams held in March 2021 and result declared on the University web portal, various queries are being received from the students with respect to the result. All the concerned students are hereby clarified as follows:

It is mandatory to pass/ qualify the end semester theory examination (securing minimum 40% out of 25) to pass in a particular subject paper. While calculating the result, marks obtained in class test (out of 50) were inadvertently added for all the students even for those who could not secure 10 marks i.e. 40% in end semester theory exam. Thus, in the result declared on 06.04.2021 few students were wrongly shown as pass in respective subject paper even though they have not qualified/passed the external theory examinations. As soon as it was noticed, the same has been accordingly updated which needed to revise the results of such affected students. Consequently, such students are being shown as reappear in respective subject which were shown as pass earlier.

All concerned are hereby informed accordingly.
