- **3.26.1** Warranty period shall be (as stated at "Schedule "of this tender) from date of installation of Goods and acceptance at JCBUST, YMCA, Faridabad. The Supplier shall, in addition, comply with the performance and/or consumption guarantees specified under the contract. If for reasons attributable to the Supplier, these guarantees are not attained in whole or in part, the Supplier shall at its discretion make such changes, modifications, and/or additions to the Goods or any part thereof as may be necessary in order to attain the contractual guarantees specified in the Contract at its own cost and expense and to carry out further performance tests. The warranty should be comprehensive on site.
- **3.26.2** The Purchaser shall promptly notify the Supplier in writing of any claims arising under this warranty. Upon receipt of such notice, the Supplier shall arrange to repair or replace the defective goods or parts within 3 days free of cost in JCBUST, YMCA, and Faridabad. The Supplier shall take over the replaced parts/goods at the time of their replacement. No claim whatsoever shall lie on the Purchaser for the replaced parts/goods thereafter. The period for correction of defects in the warranty period is 03 days. If the supplier having been notified fails to remedy the defects within 03 days, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expenses and without prejudice to any other rights, which the purchaser may have against the supplier under the contract.
- **3.26.3** The warranty period should be clearly mentioned. The maintenance charges (AMC) under different schemes after the expiry of the warranty should also be mentioned. The comprehensive warranty will commence from the date of the satisfactory installation/commissioning of the equipment against the defect of any manufacturing, workmanship and poor quality of the components.

3.27 Governing Language

The contract shall be written in English language. English language version of the Contract shall govern its interpretation. All correspondence and other documents pertaining to the Contract, which are exchanged by the parties, shall be written in the same language.

3.28 Applicable Law

The Contract shall be interpreted in accordance with the laws of the Union of India and all disputes shall be subject to place of jurisdiction.

3.29 Taxes

Suppliers shall be entirely responsible for all taxes, duties, license fees, octroi, road permits, etc., incurred until delivery of the contracted Goods to the Purchaser. However, GST in respect of the transaction between the Purchaser and the Supplier shall be payable extra, if so stipulated in the order.

- **3.29.1** The supplier should have a valid GST Number and should enclose latest valid income Tax clearance certificate
- **3.29.2** It may be certified that Supplier has not debarred/ blacklisted (Annexure-II) for any reason/period by DGS&D, DS&D (Haryana) or any other Central/State Govt. Dept./University/PSU etc. If so, particulars of the same may be furnished. Concealment of facts shall not only lead to cancellation of the supply order, but may also warrant legal action.
- **3.30 Payment:** Against Delivery with Complete Installation of Equipment/Software/supply of material as per Work/Supply Order.

3.31 Manuals and Drawings:

- **3.31.1** Before the goods and equipment are taken over by the Purchaser, the Supplier shall supply operation and maintenance manuals. These shall be in such details as will enable the Purchaser to operate, maintain, adjust and repair all parts of the works as stated in the specifications.
- **3.31.2** The Manuals shall be in the ruling language (English) in such form and numbers as stated in the contract.
- **3.31.3** Unless and otherwise agreed, the goods equipment shall not be considered to be completed for the purposes of taking over until such manuals and drawing have been supplied to the Purchaser.

3.32 Site Preparation:

- **3.32.1** The supplier shall inform to the University about the site preparation, if any, needed for the installation of equipment, immediately after the receipt of the purchase order. The supplier must provide complete details regarding space and all the other infrastructural requirements needed for the equipment, which the University should arrange before the arrival of the equipment to ensure its timely installation and smooth operation thereafter.
- **3.32.2** The supplier may visit the University and see the site where the equipment is to be installed and may offer his advice and render assistance to the university in the preparation of the site and other preinstallation requirements.

3.33 Spare Parts

- 3.33.1 The Supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the Supplier. Such spare parts as the Purchaser may elect to purchase from the Supplier, providing that this election shall not relieve the Supplier of any warranty obligations under the Contract and/ in the event of termination of production of the spare parts; Advance notification to the Purchaser of the pending termination, in sufficient time to permit the Purchaser to procure needed requirements; and following such termination, furnishing at no cost to the Purchaser, the blueprints, drawings and specifications of the spare parts, if requested.
- **3.33.2** Supplier shall carry sufficient inventories to assure ex-stock supply of consumable spares. Other spare parts and components shall be supplied as promptly as possible but, in any case, within six months of placement of order.

3.34 Defective Equipment

If any of the equipment supplied by the Supplier is found to be substandard, refurbished, unmerchantable or not in accordance with the description/specification or otherwise faulty, the committee will have the right to reject the equipment or its part. The prices of such equipment shall be refunded by the Supplier with 18% interest if such payments for such equipment have already been made. All damaged or unapproved goods shall be returned at suppliers' cost and risk and the

incidental expenses incurred thereon shall be recovered from the supplier. Defective part in equipment, if found before installation and/or during warranty period, shall be replaced within 7 days on receipt of the intimation from this office at the cost and risk of supplier including all other charges. In case supplier fails to replace above item as per above terms & conditions, JCBUST, YMCA, Faridabad may consider "Banning" the supplier.

3.35 Termination for Default

- **3.35.1** The Purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the Supplier, terminate the Contract in whole or part:
 - i. If the Supplier fails to deliver any or all of the Goods within the period(s) specified in the order, or within any extension thereof granted by the Purchaser; or
 - ii. If the Supplier fails to perform any other obligation(s) under the Contract. or
 - iii. If the Supplier, in the judgment of the Purchaser has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

3.35.2 For the purpose of this Clause:

"Corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.

"Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Borrower, and includes collusive practice among Tenderer (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Borrower of the benefits of free and open competition;

3.35.3 In the event the Purchaser terminates the Contract in whole or in part, the Purchaser may procure, upon such terms and in such manner, as it deems appropriate, Goods or Services similar to those undelivered, and the Supplier shall be liable to the Purchaser for any excess costs for such similar Goods or Services. However, the Supplier shall continue the performance of the Contract to the extent not terminated.

3.36 Downtime

- **3.36.1** During the warranty period, not more than 1% downtime will be permissible. For every day exceeding permissible downtime, penalty of 1/365 of the 1% FOB value will be imposed. Downtime will be counted from the date and time of the filing of complaint with in the business hours.
- **3.36.2** Supplier should clearly mention about their service set up in India (preferably in Northern part of India) for prompt service support along with contact details of service engineers specially trained on the offered system. Service should be provided within 48 hrs from the report of technical problem so that machine down time is minimized.
- **3.36.3** In case the Equipment / System remains non-operational for more than 7 days then warranty period will be extended for the equivalent period for which Equipment / System remained non- operational. Warranty extension in such case shall be done without prejudice to any other Term & condition of the contract.
- **3.36.4** Training of Personnel: The supplier shall be required to undertake to provide the technical training to the personnel involved in the use of the equipment at the University premises, immediately after completing the installation of the equipment.

3.37 Compliance Certificate

This certificate must be provided indicating conformity to the technical specifications. (Annexure-I)

3.38 Genuine Pricing

Vendor is to ensure that quoted price is not more than the price offered to any other customer in India to whom this particular item has been sold, particularly to IIT/Institutes and other Government Organization. Copy of the latest price list for the quoted item, applicable in India, must be enclosed with the offer.

3.39 Comparison of Bids

- **3.39.1** Technical Evaluation will be done by the technical committee after opening the technical bids.
- **3.39.2** Financial evaluation will be done on the basis of prices to mentioned in BOQ for technically qualified bids after opening the financial bids.
- **3.39.3** L1 will be decided on the basis of price including GST as quoted in the BOQ.

3.40 Award of Contract

- **3.40.1** JCBUST, YMCA, Faridabad shall award the contract to the eligible bidder whose technical bid has been accepted and determined as the lowest evaluated financial bid. However, JCBUST, YMCA, Faridabad reserves the right and has sole discretion to reject the lowest evaluated bid.
- **3.40.2** If more than one bidder happens to quote the same lowest price, JCBUST, YMCA, Faridabad reserves the right to decide the criteria and further process for awarding the contract, decision of JCBUST, YMCA, Faridabad shall be final for awarding the contract.
- **3.41 Rights to Terminate the Process**: The University may terminate the tender process at any time and without assigning any reason. The University makes no commitments, express or implied, that this process will result in a business transaction with anyone. The bidder's participation in this process may be called by JCBUST at any time for discussions and negotiations toward execution of a contract. The commencement of such negotiations does not, however, signify a commitment by the JCBUST to execute a contract or to continue negotiations. JCBUST may terminate negotiations at any time without assigning any reason.
- **3.42** Acknowledgement of Understanding of Terms: By submitting a tender document, each Bidder shall be deemed to acknowledge that all sections of this tender notice, including all forms, schedules, annexure, corrigendum and addendums (if any) hereto, has been carefully read and has been fully informed as to all existing conditions and limitations.
- **3.43 Signing of contract:** The agreement needs to be signed by the successful Bidder with the University. There after the PO will issued in the favor of concerned firm.
- 3.44 The bidder should submit a check list of technical bid as per Annex VI attached.
- 3.45 Bidders can discuss their queries in Pre bid Meeting as mention in Tender notice.
- 3.46 All the material/work/installation will be supply/carried out in the premises of J.C. Bose University of Science and Technology, YMCA, Fbd (HR)-121006 at the specific location conveyed at the time of supply. All the cost of supply and installation is to be borne by the bidder.
- 3.47 No charges will be paid other than mentioned in BOQ.

COMPETENT AUTHORITY AND PROCEDURE FOR REGISTRATION

- A The Competent Authority for the purpose of registration under this Order shall be the Registration Committee constituted by the Department for Promotion of Industry and Internal Trade (DPIIT)*.
- B. The Registration Committee shall have the following members*:
 - i. An officer, not below the rank of Joint Secretary, designated for this purpose by DPIIT, who shall be the Chairman:
 - ii. Officers (ordinarily not below the rank of Joint Secretary) representing the Ministry of Home Affairs, Ministry of External Affairs, and of those Departments whose sectors are covered by applications under consideration;
 - iii. Any other officer whose presence is deemed necessary by the Chairman of the Committee.

DIC.T shall lay down the method of application, format etc. for such bidders as stated in Para 1 of this Order.

- D. On receipt of an application seeking registration from a bidder from a country covered by Para 1 of this Order, the Competent Authority shall first seek political and security clearances from the Ministry of External Affairs and Ministry of Home Affairs, as per guidelines issued from time to time. Registration shall not be given unless political and security clearance have both been received.
- E. The Ministry of External Affairs and Ministry of Home Affairs may issue guidelines for internal use regarding the procedure for scrutiny of such applications bythem.
- F. The decision of the Competent Authority, to register such bidder may be for all kinds of tenders or for a specified type(s) of goods or services, and may be for a specified or unspecified duration of time, as deemed fit. The decision of the Competent Authority shall be final.
- G Registration shall not be granted unless the representatives of the Ministries of Home Affairs and External Affairs on the Committee concur*.
- H. Registration granted by the Competent Authority of the Government of India shall be valid not only for procurement by Central Government and its agencies/ public enterprises etc. but also for procurement by State Governments and their agencies/ public enterprises etc. No fresh **registration at the** State level shall be required.

- The Competent Authority is empowered to cancel the registration already granted if it determines that there is sufficient cause. Such cancellation by itself, however, will not affect the execution of contracts already awarded. Pending cancellation, it may also suspend the registration of a bidder, and the bidder shall not be eligible to bid in any further tenders during the period of suspension.
- J. For national security reasons, the Competent Authority shall not be required to give reasons for rejection / cancellation of registration of a bidder.
- K. In transitional cases falling under Para 3 of this Order, where it is felt that it will not be practicable to exclude bidders from a country which shares a land border with India, a reference seeking permission to consider such bidders shall be made by the procuring entity to the Competent Authority, giving full information and detailed reasons. The Competent Authority shall decide whether such bidders may be considered, and if so, shall follow the procedure laid down in the above Paras.
- L. Periodic reports on the acceptance/ refusal of registration during the preceding period may be required to be sent to the Cabinet Secretariat. Details will be issued separately in due course by DPIIT.

[*Note:

- i. In respect of application of this Order to procurement by/ under State Governments, all functions assigned to DPIIT shall be carried out by the State Government concerned through a specific department or authority designated by it. The composition of the Registration Committee shall be as decided by the State Government and paragraph G above shall not apply. However, the requirement of political and security clearance as per Para D shall remain and no registration shall be granted without such clearance.
- ii. Registration granted by State Governments shall be valid only for procurement by the State Government and its agencies/ public enterprises etc, and shall not be valid for procurement in other states or by the Government of India and their agencies/ public enterprises etc.]
