# EXPERT INVITED TALK

**TOPIC: New Drug Development using  
Polyesters for oral drug delivery**

**Dr. Meenakshi Arora**

Associate Professor

Department of Biological Sciences  
The University of Alabama, Tuscaloosa  
USA

Dr. Meenakshi Arora is an Associate Professor and core member of the Center for Convergent Bioscience and Medicine (CCBM) at The University of Alabama, Tuscaloosa, USA. Dr. Arora is interested in next generation of polyesters and their application in drug delivery, as evidenced by numerous high-impact publications, abstracts/conference presentations including some peer journals like Nature Chemistry, JACS and Science Advances.
