

Emerging Research Areas in Big Data Computing inaugurated

A week long online Short-Term Training Program (STTP) on 'Emerging Research Areas in Big Data Computing' organized by the Department of Computer Engineering, J.C. Bose University of Science and Technology, YMCA, Faridabad, inaugurated today.

The weekly programme, sponsored by the All India Council for Technical Education (AICTE) is divided into three sessions per day. Bhopal-based Rajiv Gandhi Proudhyogiki Vishwavidyalaya's Vice Chancellor Prof. Sunil Kumar attended the inaugural session as the Chief Guest. The session was presided over by Vice Chancellor Prof. Dinesh Kumar. Registrar Dr. S.K. Garg was also present on this occasion.

Addressing the inaugural session, Vice Chancellor Prof. Dinesh Kumar said that in order to deal effectively with the constantly changing paradigm shifts in technology, the initiative of making teachers future ready by upskilling and re-skilling them in some of the rapidly emerging areas in technical education and related industries is of the utmost importance.

In the second session, Data Scientist Mohit Kumar of Jubilant Foodworks Ltd. presented his views on the topic 'Big Data Analytics'. In the third and final session, Dr. Rashmi Agarwal from Manav Rachna International Institute of Research and Studies addressed the programme on 'Understanding Non-Relational Databases – Documents stored inside Big Data'.

In his address, Prof. Sunil Kumar highlighted the importance and relevance of new technology taking shape, and how it has become an important part of our livelihood and industry. He also said that the STTP mainly focuses on three key areas. Developing leadership quality, faculty involvement in excellent pedagogy and enhancing faculty's knowledge of upcoming technology.

Earlier, Chairperson of Computer Engineering Prof. Komal Kumar Bhatia welcomed the guest and the participants and gave an overview on the program. He highlighted the importance of Big Data in teaching pedagogies.

At the end of the session, Dean of Faculty of Liberal Arts and Media Studies Prof. Atul Mishra gave the vote of thanks. He said that the organization of such events is generally the result of close cooperation among several institutions and individuals and thanked each and everybody who directly and indirectly contributed in making this event a grand success. Six more sessions like this will take place in the coming week, till the 31st of July.

**AICTE SPONSORED ONLINE STTP ON
EMERGING RESEARCH AREAS IN BIG DATA COMPUTING
ORGANISED BY**

J. C. BOSE UNIVERSITY OF SCIENCE AND TECHNOLOGY, YMCA, FARIDABAD
(Established by Haryana State Legislative Act No. 21 of 2009 & Recognised by UCG Act 1956 u/s 22 to confer Degree)

Department of Computer Engineering
