- ## FDP PROGRAMME ON NEURAL NETWORKS USING MAT LAB

The Department of Computer Engineering organized one week faculty development program on Neural Networks Using MATLAB from June 1, 2015 to June 5, 2015. The programme was attended by 25 faculty members of the university. The purpose of the programme was to impart basic training in the area of Neural Network and associated programming concepts. The programme was convened by Dr. Naresh Chauhan and coordinated by Dr. C K Nagpal. The programmed included lectures by the Guest faculties namely Dr. M P Singh (B R Ambedkar University, Agra), Dr. Kapil Sharma (Delhi Technical University), Dr. V P Vishwakarma (I P University, Delhi) and Sh. Vaibhav Saxena from Matheworks. The programme included the Lectures and practical training imparted by in house faculty Dr. C K Nagpal, Dr. Manjeet Singh, Dr. Shailender Gupta, Dr. Neelam Duhan and Dr. Parul Tomar.

■ MoU with Skytesters.com

An MoU has been signed with Skytesters.com in Computer Engineering Department under the Industry-Institute Interaction programme in Feb 2015. The key program highlights are continuous learning internship program, industrial interaction, ISTQB Foundation level sponsorship and career counselling. The program enhances the job potential of the students by developing their skills. The whole internship program is completely free of cost. Three workshops have been organized including practical trainings, seminars, competitions and technical courses to help students to gain skills and become industry ready.

■ EXPERT LECTURE

- An expert Lecture on "**Software testing** "was delivered by Mr. **Narender Kumar Bhardwaj** from Venture7 Technologies Pvt. Ltd, Faridabad on 12th Feb and 13th Feb 2015.

- An expert Lecture on "**Android testing** "was delivered by Mr. **Narender Kumar Bhardwaj** from Venture7 Technologies Pvt. Ltd, Faridabad on 10th March 2015.

- An expert Lecture on "**Neural Networks** "was delivered by Prof. **M. P. Singh** from B. R. Ambedkar University, Agra in June, 2015.

- An expert Lecture on "**Android testing** "was delivered by Dr. **Kapil Sharma** from Associate Prof. DTU, Delhi in June, 2015.

- An expert Lecture on "**Neural Network Techniques** "was delivered by Prof. **V.P. Vishavkarma** IP University, New Delhi in June, 2015.

■ MANAN

- On March 20, there was a session by Manan on BFS, DFS and their application along with few case studies of How using different algorithm has improved performance and utility of popular websites and sofware

- On March 13, Friday Manan organized a workshop on introduction to git version version control and overview of cloud services and it was hosted by Lalit Yadav

- Manan organized a session for first year students.In this session Manan covered some good and bad practices of C/C++ programming. Also they covered some easy and some must know hacks of c/c++ programming and important data structures. This session was very basic and helped students to bring out best in them and got a chance to face competition outside our college.

- Manan oragnized many technical events likeDebugging , Code Geass, TREASURE HUNT , Frost Code etc. in Elements culmyca-2015
