### **Subject: Report of Visit to Old Age home on 18.03.2021**

Members of Vivekanand Manch of DSW office visited the “Janak Sewa Samiti Old Age Home” in sector-19, Faridabad. A healthy interaction was made with the old citizens. Various games like Antakshari and passing the parcel were played in order to bring smile on their faces. A little singing and dancing session was also organized by MANCH members. They shared their life experiences with us and were quite happy to see the faces like those of their grandchildren’s. A motivating session was given by senior citizens in which they motivated us to study hard and become successful and also urged us to respect our parents. Around 30 students of Vivekanand Manch visited old age home and shared precious moments.
