Subject: Yoga awareness campaign for society

Realizing social responsibility towards the society, students of various clubs have decided to make people aware about benefits of Yoga. They motivated their family, friends, neighbors and other people of society by online message spreading or physically telling them to do yoga daily and join international yoga day celebration event online so that they can also take benefit of this program. Around 100 students have joined this campaign. Their family, neighbors and friends joined the online yoga session and performed yoga at home with JCBOSEUST on 21st June 2021 on Zoom platform.
